Dear Mr. Corson:

Thank you for your inquiry in regards to the new safety requirements for the outfitters permitted on the National Wild and Scenic Rogue River. I was not aware that my staff had not responded via a letter with the information you had requested. I was informed that you were notified by phone with our intentions with the new safety requirements.

Attached you will find a copy of the "Notice of Commercial Operating Plan Amendment" that was mailed to all of the outfitters on May 6, 2005. As of May 15, 2005, all permitted outfitters on the wild section of the Rogue River are required to meet the mandatory stipulations incorporated by this notice.

Thank you for your interest in the management of the National Wild and Scenic Rogue River.

Sincerely,

Abbie Jossie  
Field Manager  
Grants Pass Resource Area
