Dear Ms. Jossie:

As you may recall, I wrote to you on November 2, 2004, and you kindly responded with your letter of November 29, 2004. I wrote thereafter on February 1, 2005 to your assistant, Mr. Chris Dent, to ask about the status of the Clark family's proposals for improving public safety on the wild and scenic portion of the Rogue River that the BLM manages. A copy of that letter is enclosed for your convenience. I wrote to Mr. Dent again on April 15, 2005; a copy of that letter is also enclosed. We have had no response.

We would still very much appreciate being sent a copy of any new safety requirements that the BLM has adopted for the Rogue River. If there is any problem in responding to these requests, please call. Thank you for your further consideration of this matter.

Sincerely,

Don Corson
